- Team Management skills

## ACTIVITIES

1. Part of event management team for the annual event “AVIVA 2022” at D.Y Patil College of Engineering, Akurdi, Pune.
2. Completed various course certifications :
  1. C programming for beginners => Udemy
  2. Python basics for data science => edx
  3. AI for everyone => edx
  4. Programming for everybody => Coursera
  5. Introduction to HTML5 => Coursera
  6. Introduction to CSS3 => Coursera
  7. Interactivity with JavaScript => Coursera
  8. Crash course on Python => Google
3. Apart from these above mentioned courses, I had participated in 30 days of google cloud programme in the year 2021, learned a lot from this 30 days of challenges given by google cloud, from this programme learned skills such as time management, learned new skills, problem solving approach, etc.
4. Participated and won in competition named “Spot the liar” organized by ToastMaster DYPCOE in the year 2021. Through this competition developed my group discussion skills and learned how to communicate in a large group.
